HUNTINGTON PARK POLICE ACTIVITIES LEAGUE

Police Activities League

P.A.L is a recreation-oriented juvenile crime prevention program that relies heavily upon athletics and recreational activities to build and create bonds between police officers and the kids in the community they serve.

P.A.L. is based on the strong belief that children, if reached early enough, can develop a strong, positive attitude towards police officers. P.A.L encourages young people to become productive young adults by teaching them important team building characteristics and promote further development of core values thereby, deterring juvenile delinquency

Studies have shown that if a youngster respects a police officer on the ballfield or in the gym, he or she will very likely come to respect the laws that the police officer enforces.

Why P.A.L?

Recognizing that some of the kids of our community lack the proper guidance and self esteem to resist delinquent behavior; the Huntington Park Police Department joined the nationally recognized athletic organization . Since its inception in 1998, the Huntington Park Police Activities League has sponsored and organized many youth events and activities for many kids and adolescents in our community.
