

Rio Hondo College

Department of Public Safety

Driving Training Simulator (LEDS)

Force Option Simulator (FOS)

LEDS

Provides (4) hours of classroom instruction in traffic stop procedures, emergency driving and vehicle pursuits as well as practice driving on a driving simulator utilizing scenarios which test decision making and defensive driving skills. Tuition is paid under POST contract to all full-time Peace Officers in the POST reimbursable program. Meets perishable skills. backfill approved.

FOS

Provides the student with (4) hours of practice handling volatile situations, and the use of proper force options which are available. Training goal is to reduce deaths, injuries, liability costs, and improve safety overall for California Law Enforcement personnel and the public. Tuition fee paid under POST contract to full time Peace Officers in the POST reimbursable program. Meets perishable skills. Backfill approved.

Class is held at Rio Hondo College, 3600 Workman Mill Rd., Whittier, Ca.
